To Whom It May Concern:

West Jordan City Code §3-7-14C titled “ADJUSTMENTS, CREDITS AND EXEMPTIONS” states a credit may be allowed to adjust standard impact fees for “any dedication of land, improvement to, or new construction of, any system improvements provided by the developer if the facilities are... Required by the local political subdivision as a condition of approving the development activity...”

The Gardner Group, applicant for “GEM West Jordan” located at 6800 West, is requesting a credit against the standard “Parks Impact Fees” for the required public park land and improvements as a condition of approval for this development per the Jones Landing North Project MDA.

Please find attached a breakdown of the Park Impact Fee contemplated by the West Jordan’s FY 2025 Consolidated Fee Schedule versus the cost Gardner will incur for the required park land and improvements. We are happy to discuss further.

Thank you,

Max Muller
