

# BEN BOLINGBROKE

## PROFILE

At few years I have experienced a wide array of industries from everything from door and microbiology lab research. From all these experiences I have business, partnership and investing. My goals are to build strong successful businesses and to build generational wealth for myself and my family.

## EDUCATION

### University of Utah – Biomedical Engineering Major

August 2018 – December 2022

Maintained a 3.7 GPA in the most arduous major at the University. Member of several clubs and organizations including Connect2Health, Bennion Scholars program and the Powerlifting team.

### Weyrich Labs Researcher

September 2018 – May 2022

Worked on large project with Post Docs and Phd scientists on platelet research. Became the 7<sup>th</sup> publishing author of "[Platelet MHC Class I Mediates CD8+ T Cell Suppression During Sepsis](#)" Presented work at research events and symposiums.

## WORK EXPERIENCE

### Vivint Smart Home & Vivint Energy - Salesman

April 2019 – June 2022

Closed over 400 security system sales in four summers going door to door. Named the top rep on the team last year. Closed over 20 self-generated solar deals, and 15 sets closed in a period of 6 weeks.

### Connect2Health Clinician Volunteer

August 2018 – January 2021

Worked weekly at the 4<sup>th</sup> Street clinic and Wellness Bus with patients experiencing homelessness and financial difficulties. Helped to connect them with healthcare resources and financial aid.

### Real Estate & Venture Capital Investor

December 2019 – Present

Currently own and manage 8 rental units within the Salt Lake Valley. All units are producing positive monthly cashflow. The majority of the units were bought with creative finance methods, and several were off-market, direct to seller transactions. I have invested as an angel investor into two companies, SignGlasses and Clicklease.

## SKILLS

- Fluent Spanish speaker
- Sales and negotiations
